REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach nor render obvious the instantly claimed. There is no teaching in the prior art to create the multiplayer using a graded layer of a InAlGaP. There is no motivation in the art to modify the prior art graded layers which do not include the aluminum. There is no teaching in the art that the addition of the aluminum will allow for the lattice changes as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
